

National Severe Weather Warning Service

Chief Forecasters Assessment

Showers will become largely confined to coastal areas in West Wales and across Cornwall on Wednesday evening, though they will persist here into Thursday morning. With a widespread overnight frost expected, there is a risk of some icy stretches developing.

The Met Office have issued a **Yellow Warning of Ice**

Valid from **20:00 on Wed, 13th Mar 2013** until **09:00 on Thu, 14th Mar 2013**

Showers will continue to affect parts of West Wales and Cornwall during Wednesday night and into Thursday morning. The public should be aware that some icy stretches may develop on roads and pavements.
